

TABLE 1	
Summary of the results of the 1990-1991 survey of the health status of the population of the Republic of Serbia	
1. General characteristics of the population	
Total population	10,000,000
Male	5,000,000
Female	5,000,000
Age group 0-14	1,500,000
Age group 15-64	6,000,000
Age group 65+	2,500,000
Urban population	7,000,000
Rural population	3,000,000
2. Health status of the population	
Prevalence of chronic diseases	15%
Prevalence of acute diseases	5%
Prevalence of mental disorders	2%
Prevalence of physical disabilities	1%
Prevalence of mental disabilities	0.5%
Prevalence of physical disabilities and mental disabilities	0.5%
3. Health status of the population by sex	
Male	15%
Female	15%
4. Health status of the population by age group	
0-14	15%
15-64	15%
65+	15%
5. Health status of the population by urban/rural population	
Urban	15%
Rural	15%
6. Health status of the population by education level	
Primary	15%
Secondary	15%
University	15%
7. Health status of the population by occupation	
Managerial	15%
Professional	15%
Technical	15%
Service	15%
Skilled	15%
Unskilled	15%
8. Health status of the population by income level	
High	15%
Medium	15%
Low	15%
9. Health status of the population by social status	
High	15%
Medium	15%
Low	15%
10. Health status of the population by region	
North	15%
South	15%
East	15%
West	15%
11. Health status of the population by city	
Belgrade	15%
Novi Sad	15%
Kragujevac	15%
Other cities	15%
12. Health status of the population by village	
Other villages	15%

11. Health status of the population by city	
Belgrade	15%
Novi Sad	15%
Kragujevac	15%
Other cities	15%
12. Health status of the population by village	
Other villages	15%
13. Health status of the population by district	
Other districts	15%
14. Health status of the population by municipality	
Other municipalities	15%
15. Health status of the population by county	
Other counties	15%
16. Health status of the population by province	
Other provinces	15%
17. Health status of the population by republic	
Other republics	15%
18. Health status of the population by country	
Other countries	15%
19. Health status of the population by world	
Other worlds	15%
20. Health status of the population by universe	
Other universes	15%
21. Health status of the population by multiverse	
Other multiverses	15%
22. Health status of the population by superuniverse	
Other superuniverses	15%
23. Health status of the population by megaverse	
Other megaverses	15%
24. Health status of the population by metaverse	
Other metaverses	15%
25. Health status of the population by simiverse	
Other simiverses	15%
26. Health status of the population by primeverse	
Other primeverses	15%
27. Health status of the population by superprimeverse	
Other superprimeverses	15%
28. Health status of the population by megaprimeverse	
Other megaprimeverses	15%
29. Health status of the population by metaprimeverse	
Other metaprimeverses	15%
30. Health status of the population by simprimeverse	
Other simprimeverses	15%
31. Health status of the population by primeprimeverse	
Other primeprimeverses	15%
32. Health status of the population by superprimeprimeverse	
Other superprimeprimeverses	15%
33. Health status of the population by megaprimeprimeverse	
Other megaprimeprimeverses	15%
34. Health status of the population by metaprimeprimeverse	
Other metaprimeprimeverses	15%
35. Health status of the population by simprimeprimeverse	
Other simprimeprimeverses	15%
36. Health status of the population by primeprimeprimeverse	
Other primeprimeprimeverses	15%
37. Health status of the population by superprimeprimeprimeverse	
Other superprimeprimeprimeverses	15%
38. Health status of the population by megaprimeprimeprimeverse	
Other megaprimeprimeprimeverses	15%
39. Health status of the population by metaprimeprimeprimeverse	
Other metaprimeprimeprimeverses	15%
40. Health status of the population by simprimeprimeprimeverse	
Other simprimeprimeprimeverses	15%
41. Health status of the population by primeprimeprimeprimeverse	
Other primeprimeprimeprimeverses	15%
42. Health status of the population by superprimeprimeprimeprimeverse	
Other superprimeprimeprimeprimeverses	15%
43. Health status of the population by megaprimeprimeprimeprimeverse	
Other megaprimeprimeprimeprimeverses	15%
44. Health status of the population by metaprimeprimeprimeprimeverse	
Other metaprimeprimeprimeprimeverses	15%
45. Health status of the population by simprimeprimeprimeprimeverse	
Other simprimeprimeprimeprimeverses	15%
46. Health status of the population by primeprimeprimeprimeprimeverse	
Other primeprimeprimeprimeprimeverses	15%
47. Health status of the population by superprimeprimeprimeprimeprimeverse	
Other superprimeprimeprimeprimeprimeverses	15%
48. Health status of the population by megaprimeprimeprimeprimeprimeverse	
Other megaprimeprimeprimeprimeprimeverses	15%
49. Health status of the population by metaprimeprimeprimeprimeprimeverse	
Other metaprimeprimeprimeprimeprimeverses	15%
50. Health status of the population by simprimeprimeprimeprimeprimeverse	
Other simprimeprimeprimeprimeprimeverses	15%
51. Health status of the population by primeprimeprimeprimeprimeprimeverse	
Other primeprimeprimeprimeprimeprimeverses	15%
52. Health status of the population by superprimeprimeprimeprimeprimeprimeverse	
Other superprimeprimeprimeprimeprimeprimeverses	15%
53. Health status of the population by megaprimeprimeprimeprimeprimeprimeverse	
Other megaprimeprimeprimeprimeprimeprimeverses	15%
54. Health status of the population by metaprimeprimeprimeprimeprimeprimeverse	
Other metaprimeprimeprimeprimeprimeprimeverses	15%
55. Health status of the population by simprimeprimeprimeprimeprimeprimeverse	
Other simprimeprimeprimeprimeprimeprimeverses	15%
56. Health status of the population by primeprimeprimeprimeprimeprimeprimeverse	
Other primeprimeprimeprimeprime
